THE ADJECTIVES TO REFLECT THE PERSONALITY OF NEIL JONES ARE INFINITE.

Admiration, Respect, Loyalty, and Dedication are only a few of the qualities possessed by Mr. Jones. His leadership qualities are not only portrayed on the football field, but also in all aspects of life. We would like to thank him for his contributions to Allen Jay. Therefore, the Seniors dedicate the 1975 edition of the Aln-Ja-Hi to the Coach.

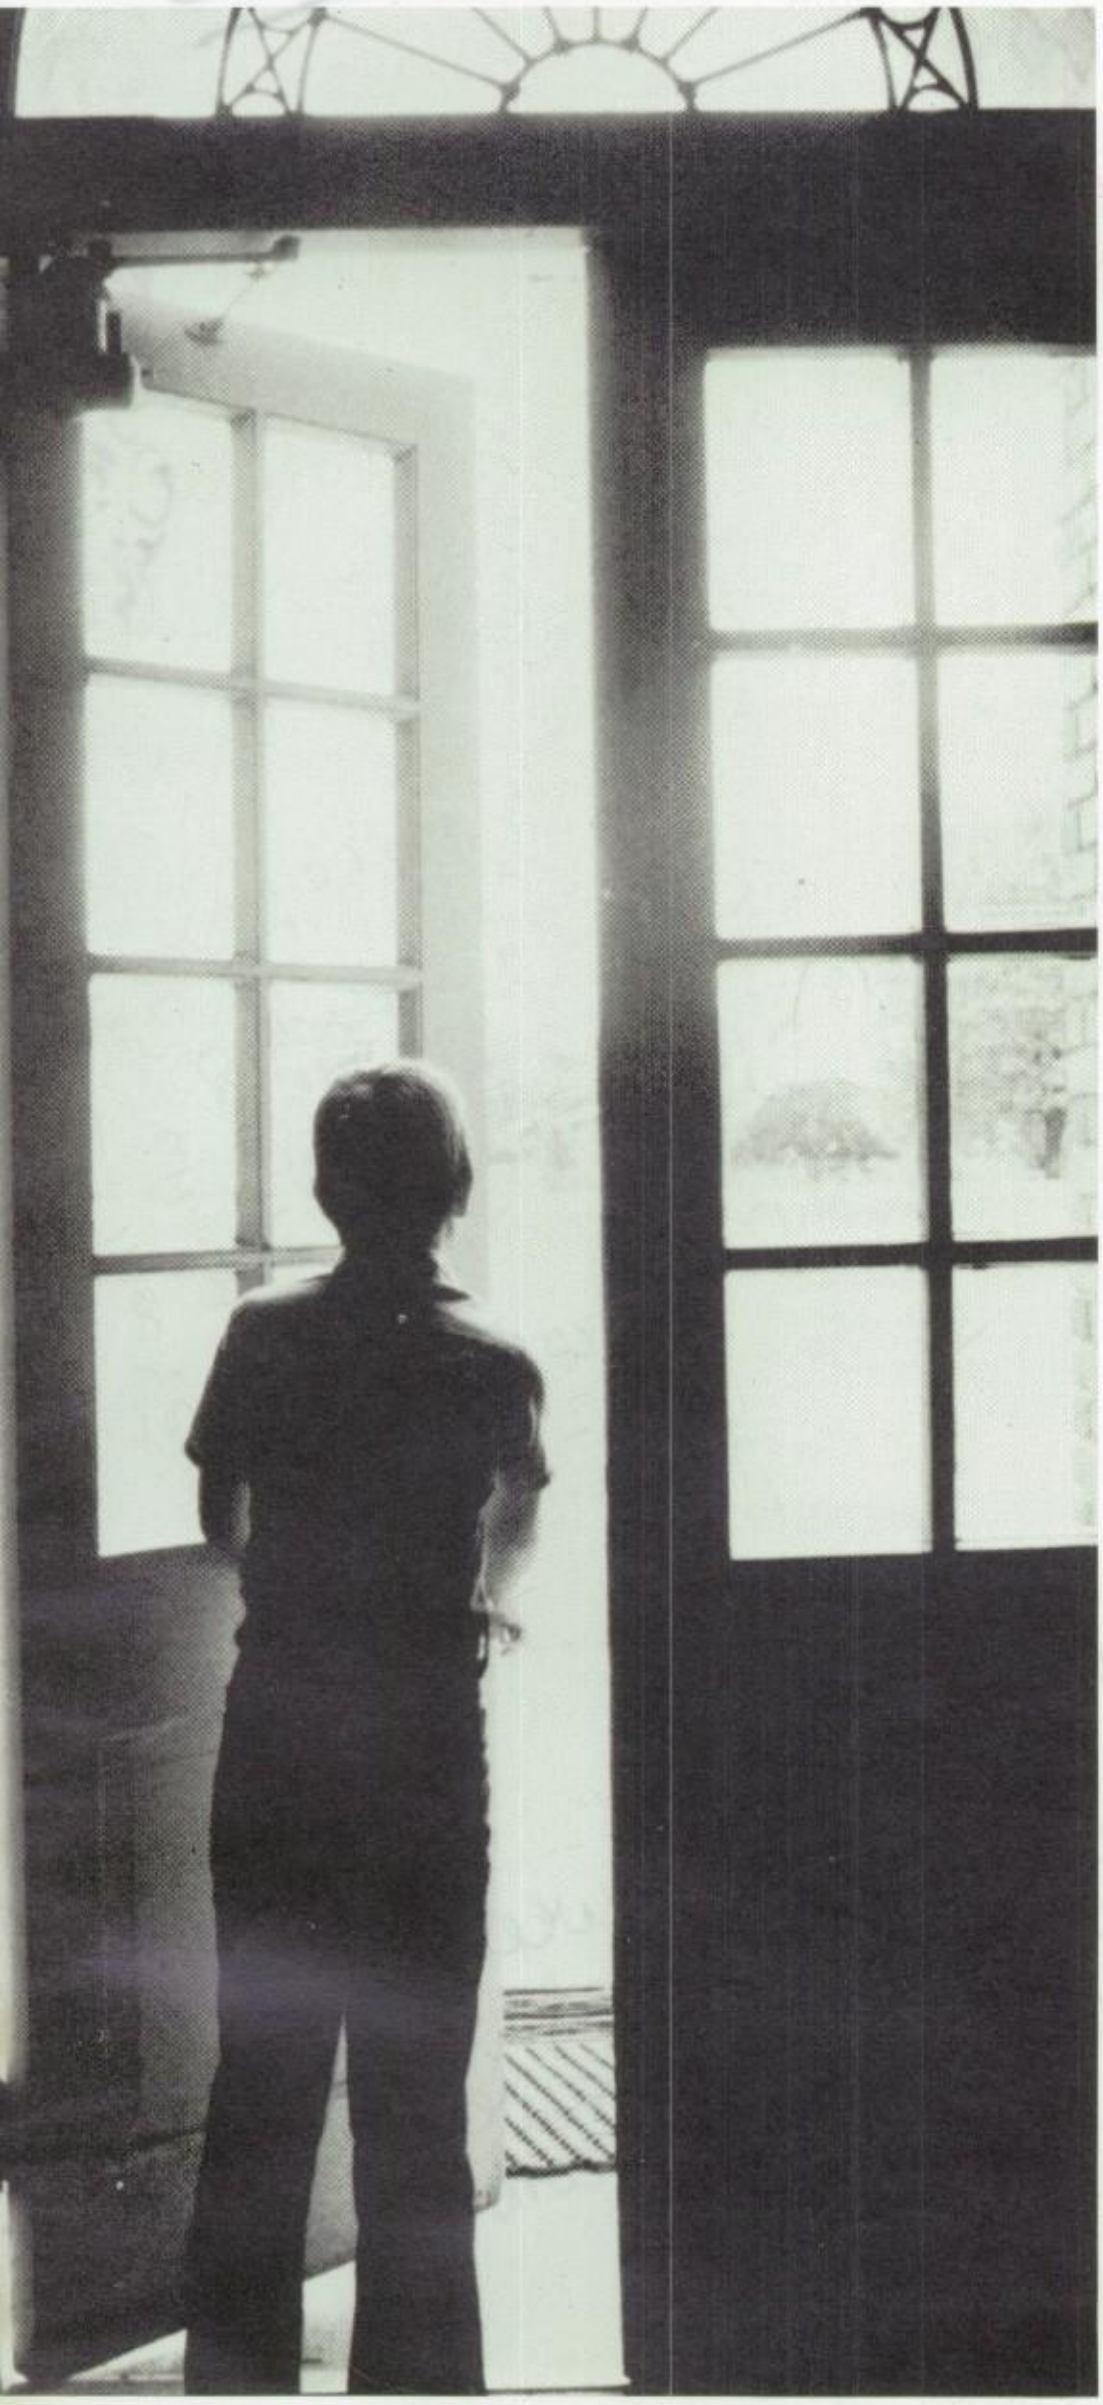
IN CONCLUSION . . .



The 1974-1975 school year comes to an end, but the memories will last forever. Allen Jay, a school small in number, but big in heart, once again competed successfully with its opposition in both academics and atheletics. We credit this to a dedicated faculty and a devoted student body.

The Class of '75 thanks Mr. Steve Dalton for his cooperation, the faculty for working with us, the custodians for a clean school, the cafeteria staff for their hard work, the office staff for making our announcements, Hallie Myers for her infinite contributions to the Aln-Ja-Hi staff in spite of an unfavorable schedule, the COO Class for their help, Jimmy Hoover for providing the necessary art work, Chris Ingram, Dwayne Saunders, and Mike Hine, our photographers, for making our pictures, but refused to have their picture made, and most of all, the student body for making our Senior year one to be remembered.

Hi Karen,

Guess what? We're going to have fun this summer. I'm looking forward to moving in over there. I'll probably like the pool most of all. Don't do anything I wouldn't do this summer and if ya stay as ya are, I'll come visit ya in prison sometime (if we aren't in there together) who knows? We might even share the same cells. It's been great knowing you. Stay as <u>cool</u> and <u>sweet</u> as <u>always</u>.
